

Course Name: _____

Work Assignment(s) Evaluated: _____

Teacher Responsibilities:

- | | |
|--|--|
| <input type="checkbox"/> Provide all the needed materials | <input type="checkbox"/> Present materials in a way that is understandable |
| <input type="checkbox"/> Answer questions until understood | <input type="checkbox"/> Provide fun demonstrations |
| <input type="checkbox"/> Provide support when asked | <input type="checkbox"/> Provide additional information when needed |

Student Responsibilities/Evaluation Methodology:

A Students:

Complete homework on time (independently)

Study for tests and quizzes until they are confident of their understanding

Ask questions when they are confused and continue to ask until they understand

Participate in class discussions with frequency and interest

Check all their work before handing it in to be graded

Show their knowledge and understanding by helping a peer or demonstrating in class

Regulate their own behaviors independently in all circumstances

B Students:

Complete homework frequently

Study for tests and quizzes until they've reviewed everything

Sometimes ask questions when confused, but never more than one or two

Participate in class discussions when asked a question

Briefly review their work before handing it in to be graded

Show knowledge by helping another when asked by teacher

Regulate their behavior with support of faculty when confronting a novel or difficult situations

C Students:

Complete most homework, but often at the last minute and with help

Study for test and quizzes as little as possible

Asks questions only when desperate

Will participate when called upon but usually respond very briefly

Rarely review their work before handing it in to be graded

Will help others when asked, but usually need help

Regulate their behavior with the direct and ongoing support of educational staff in class and in the hallways

D Students:

Do homework only periodically

Pretend to study for tests and quizzes

Rarely ask questions and often wise-crack

Rarely participate in class discussions and usually only under protest

When they do hand in their work it's never reviewed

Require lots of help from others

Sometimes need to leave the classroom

Require specialized interventions in order to be regulated safely; are often disruptive in the classroom

F Students:

Never do homework

Never study

Don't ask questions but often disrupt

Don't participate in class discussions

Don't hand in work

Refuse help

Are often required to leave the class

Are unable to regulate themselves in or out of the classroom and often create health and safety risks

WHAT KIND OF STUDENT WILL I BE?

HERE'S 5 THINGS THAT I'LL DO TO BE THIS KIND OF STUDENT:

TEACHER EVALUATION:

PORTFOLIO EVALUATION RUBRIC:

1. Standard(s) Addressed:

2. Student Assessment:

a. 3 things learned on this activity

b. 3 things to continue to work on

3. Product Evaluation (% correct, product grade, etc.):

4. Student Responsibilities/Evaluation Assessment:

5. Final Product Grade:

6. Student Signature: _____

Teacher Signature: _____
